

BUILDER ASSET REQUEST

To prepare builder website pages for Panorama, please provide the following assets.

1. Builder Logos

Please provide the following formats if available:

- » Vector file (.AI, .EPS, or .SVG)
- » PNG or JPG versions (color and black/white)
- » Horizontal and vertical orientations (if available)
- » Transparent background preferred

2. Photography

Please provide high-resolution images (300 DPI).

Exterior Photos

- » 1-5 full color exterior images
- » Horizontal format preferred
- » Minimum size: 6 x 4 inches or larger

Interior Photos

- » 1-5 full color interior images
- » Horizontal format preferred
- » Lifestyle or finished interior shots preferred

3. Builder Marketing Copy

Please provide original copy not currently used on your website (print material is acceptable).

Intro Paragraph

- » 50 words or less
- » Brief introduction to your company

Panorama Homes Description

- » 2-4 paragraphs (approximately 150 words total)
- » Describe the homes you will build specifically in Panorama

Builder Differentiators

- » 4-8 bullet points
- » What makes your homes unique or special offerings for Panorama residents

Website Link

- » URL to your builder website or Panorama-specific page

4. Model Home Information

If applicable, please provide:

- » Location/address of future model homes
- » Planned grand opening date and time
- » Date models will open to the public
- » Estimated completion timeline (if known)

5. File Delivery

Please send assets to Raneë Stam at Raneë@DAIUtah.com

6. Builder Contact Info

- » Marketing contact name
- » Email
- » Phone
